Summer Pottery workshops for kids 10 and up

Five-day workshops at \$150 include all materials and firing.

Using pinch, coil and slab methods beginners explore clay through a series of projects including sculpted animals, cups, bowls, vases, trays and more.

Equipment such as the slab roller and extruder are used with the hand building projects.

There will be a chance to try the potter's wheel.

Session 1. July 12th through July 16th 10 AM to noon

Session 2. Aug.2nd through Aug.6 10 AM to noon

There is a 10% discount on tuition for 2 or more family members.

New projects will be taught in each session.

The masterpieces will be glazed and ready for pick up within one week.

A \$50 deposit is required to hold a place in class.

I will consider teaching younger children using self hardening clay
